The Olympic Flames dance group started in the early 90's with about ten dancers and one dance group. As the years progressed, the group has grown to about 75 dancers and three dance groups. The Senior Olympic Flame Dance Group consists of dancers that range in age from 14 to 18 years old. They participate in their Annual Diocese Greek Folk Dance Festival in October. This gives the dancers a chance to engage in fellowship and dance with other dance groups from Pennsylvania and Ohio. Locally, the Senior Olympic Flame Dance Group is well known throughout the Harrisburg Area. Throughout the year, they are asked to perform at various cultural events. The dedication and hard work throughout the year can be seen during their final performances at the Annual Greek Food Festival at Holy Trinity Greek Orthodox Cathedral in Camp Hill.

The Olympic Flames are directed by Penny Matangos with the assistance of several instructors.

We look forward to have you join us for a wonderful event!
